**School Philosophy** We believe in the development of the whole child. This includes the child's physical, social, intellectual, and emotional growth and development. In a warm and loving environment, children are encouraged to reach their fullest potential in all areas of life.

- We nurture each child's development in the natural way children learn, through play
- We believe each child is a gift; a special and unique individual
- We focus on the development of self-esteem, awareness of others and of the natural world, in a blend of education and Christian spirit

**Mission Statement** PELC offers Part-time Preschool, Full-time Preschool (daycare), Pre-Kindergarten, and our Mother's Day Out Program. Since 1961 we have been an outreach program of the Sunnyvale Presbyterian Church as a response to the community's need for quality child care.
