Presbyterian Early Learning Center (PELC) offers an Infant/Toddler Program, Intro to Preschool Program, Part-time Preschool, Full-time Preschool (daycare), and Pre-Kindergarten. Since 1961 we have been an outreach program of the Sunnyvale Presbyterian Church as a response to the community's need for quality child care.

School Philosophy We believe in the development of the whole child. This includes the child's physical, social, intellectual, and emotional growth and development. In a warm and loving environment, children are encouraged to reach their fullest potential in all areas of life.

- We nurture each child's development in the natural way children learn, through play
- We believe each child is a gift; a special and unique individual
- We provide experiences that enhance each child's creative abilities and intellectual curiosity in a community of love and support
